Meet the Artist

Wednesday, May 16

6:30 to 8:30 pm

The FOCUS Executive Committee of ICP
Annalise Carol and Larry Schwarz, Co-Chairs
cordially invites FOCUS and FOCUS Executive Members
and their friends to a cocktail party and book signing with
acclaimed photographer Mona Kuhn.

Join Mona Kuhn as she talks about her new book, *Evidence*, which
raises the question of lost paradises and less than innocent youth.
Kuhn weaves together the traditional iconography of nude studies with
tenuously held planes of focus that lure the eye and provoke the imagi-
nation, creating a visual patois at once classical and contemporary.
